The retirement of a biodiversity credit is registered on the BOS Public Register in the Transactions register. Section 6.30 Biodiversity Conservation Regulation 2017 provides that retirement of a biodiversity credit is to be conclusively presumed if the retirement is recorded in the public register. The public register of biodiversity offset credits provides further information about biodiversity credit holdings and biodiversity credit trading activity. To view this information, please visit the Biodiversity Offset Scheme Public Registers.

This information is only current as of the date of provision and may not reflect subsequent legislative, policy or procedural changes.
