

Rich Browns

The Rich Browns scheme layers natural materials and tactile finishes to create warmth, depth, and a sense of understated luxury. Timber cladding, textured brick, render, and sandy muted tiles with accents of soft chestnut, creams and warm taupes, celebrating the beauty of natural variation and organic form.

Textural warmth

Layer timber, brick, render and artisanal finishes to build warmth, depth and tactility.

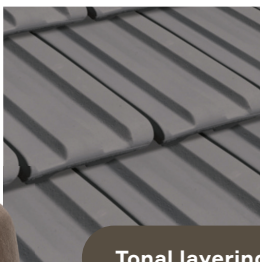

Sculptural rounded planter

Tonal layering

Layer chestnut, cream and warm taupe across timber, brick and render for natural depth.

Fluid forms

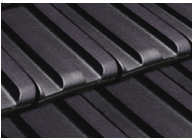

Use rounded walls, circular openings and soft edges for an organic, fluid feel.
