

# Organic Earth

An earthy interior palette combining warm terracotta with soft, muted greys creates an environment that feels grounded, inviting, and timeless. Terracotta brings depth and organic richness, while soft greys introduce balance and calm. Together, they create a palette that feels both expressive and understated.

## Natural textures

Soften clean lines with timber, stone, textured fabrics and handcrafted details for warmth.

Curved walnut statement chair

## Earthy hues

Layer terracotta, clay, sand, olive, dusty blue and warm grey for an earthy Australian feel.

## Curved features

Choose sculptural pieces with organic curves and handcrafted detail for relaxed character.
