

Soft Neutrals

Natural materials balance this interior scheme of warm whites and soft creamy hues, creating a space that feels calm, pure and quietly refined. The colours are subtle and understated, offering a sense of openness and serenity while maintaining a warm touch. This scheme works as a clean, timeless foundation that allows light and spatial form to take centre stage.

Timeless layers

Combine warm stone, textured walling, timber and soft furnishings for calm, tonal depth.

Woven brown and neutral cushions

Soft features

Pair curved furniture and soft edges with strong lines for a balanced, timeless feel.

Tactile materiality

Use stone, leather, linen, timber and steel to give the restrained palette richness and warmth.
